Dear Coaches, Athletes, and Families,

The latest weather forecast indicates a strong likelihood that rain and thunderstorms will be in the area of Danbury High School for a significant portion of the day tomorrow. In the interest of maximum safety for all athletes, officials, support staff, and families, we have regrettably made the difficult decision to cancel tomorrow's Junior Olympic Connecticut Association Championship meet.

All athletes who have a paid entry to tomorrow's meet will automatically qualify to advance to the [Region 1 Junior Olympic Championship](#) meet, to be held in Craryville, NY July 6th-9th. Once the entry file has been loaded to athletic.net, you will be able to register for the Region 1 meet. As a result, entry fees submitted are not subject to a refund.

We thank all of you for your support of USATF, and look forward to seeing you at the Region 1 Junior Olympic Championship meet in July.

Bob, Irving, and Shawn

USATF Connecticut

Bob Fontaine, President

Irving Fox, Youth Chair

Shawn Sorbello, Site Director
